

## One+ Talent Night Success for GGHS

The One+ Talent Night and Art Exhibition was held on Tuesday 30 July in Pedare Christian College Chapel. The night was an excellent collaboration of talent from students from Pedare Christian College, Gleeson College as well as our Golden Grove High students. Profits from the night will go to the focus charity for each of the three schools.

The Art Exhibition and 'People's Choice' awards were displayed in the foyer prior to the show. The winner of this award was Lachlan, from Pedare Christian College.

A panel of judges from all sectors adjudicated the acts. Each school had 4 acts who performed. In a fantastic effort, Golden Grove High School students took home the first, second and third places:

1<sup>st</sup> Place - Renee (Year 12) - with her original song accompanied by her ukulele

2<sup>nd</sup> Place - Kanta (Year 11) - with a classical piano variation

3<sup>rd</sup> Place - Alex & Talisha (Year 9) with a dance duet choreographed by them, to the song 'Dying in LA'

As a school, we are extremely proud of our talented students and congratulate them on their performances. We also congratulate Gen and Blake for their entertaining musical theatre performance.
