Role and Focus

I am beyond excited to be joining the community of Golden Grove High School.

In my role as AP of Student Wellbeing I will be able to collaborate with a range of staff to develop and deliver proactive wellbeing interventions and programs that support students to excel in their learning and to be positive members of our community.

Ultimately it is my mission to guide, inspire and educate young people to be resilient, empathetic and globally minded citizens.

I look forward to meeting you and getting to know you.
