- Support Programs for students with special learning needs.
- “State of the Art” Facilities.

Student Enrolment: Enrolment demand to attend Golden Grove High School is at a premium. The school has enrolment ceilings at all year levels. There is currently a waiting list process in place at most year levels. Application for Year 8 enrolments in 2017 is via the DECD Year 7/8 Enrolment Application Process with students guaranteed a placement if they live within the school’s district.

Special Entry Dance Program – combining an academic education with a specialised Dance program within the curriculum. There will be a limited number of places available for Year 8 students in 2017. Entry into the program is via a selection process involving a written application, audition and interview. Applications are open to all 2016 Year 7 students (in and out of district).
