ARTS - VISUAL

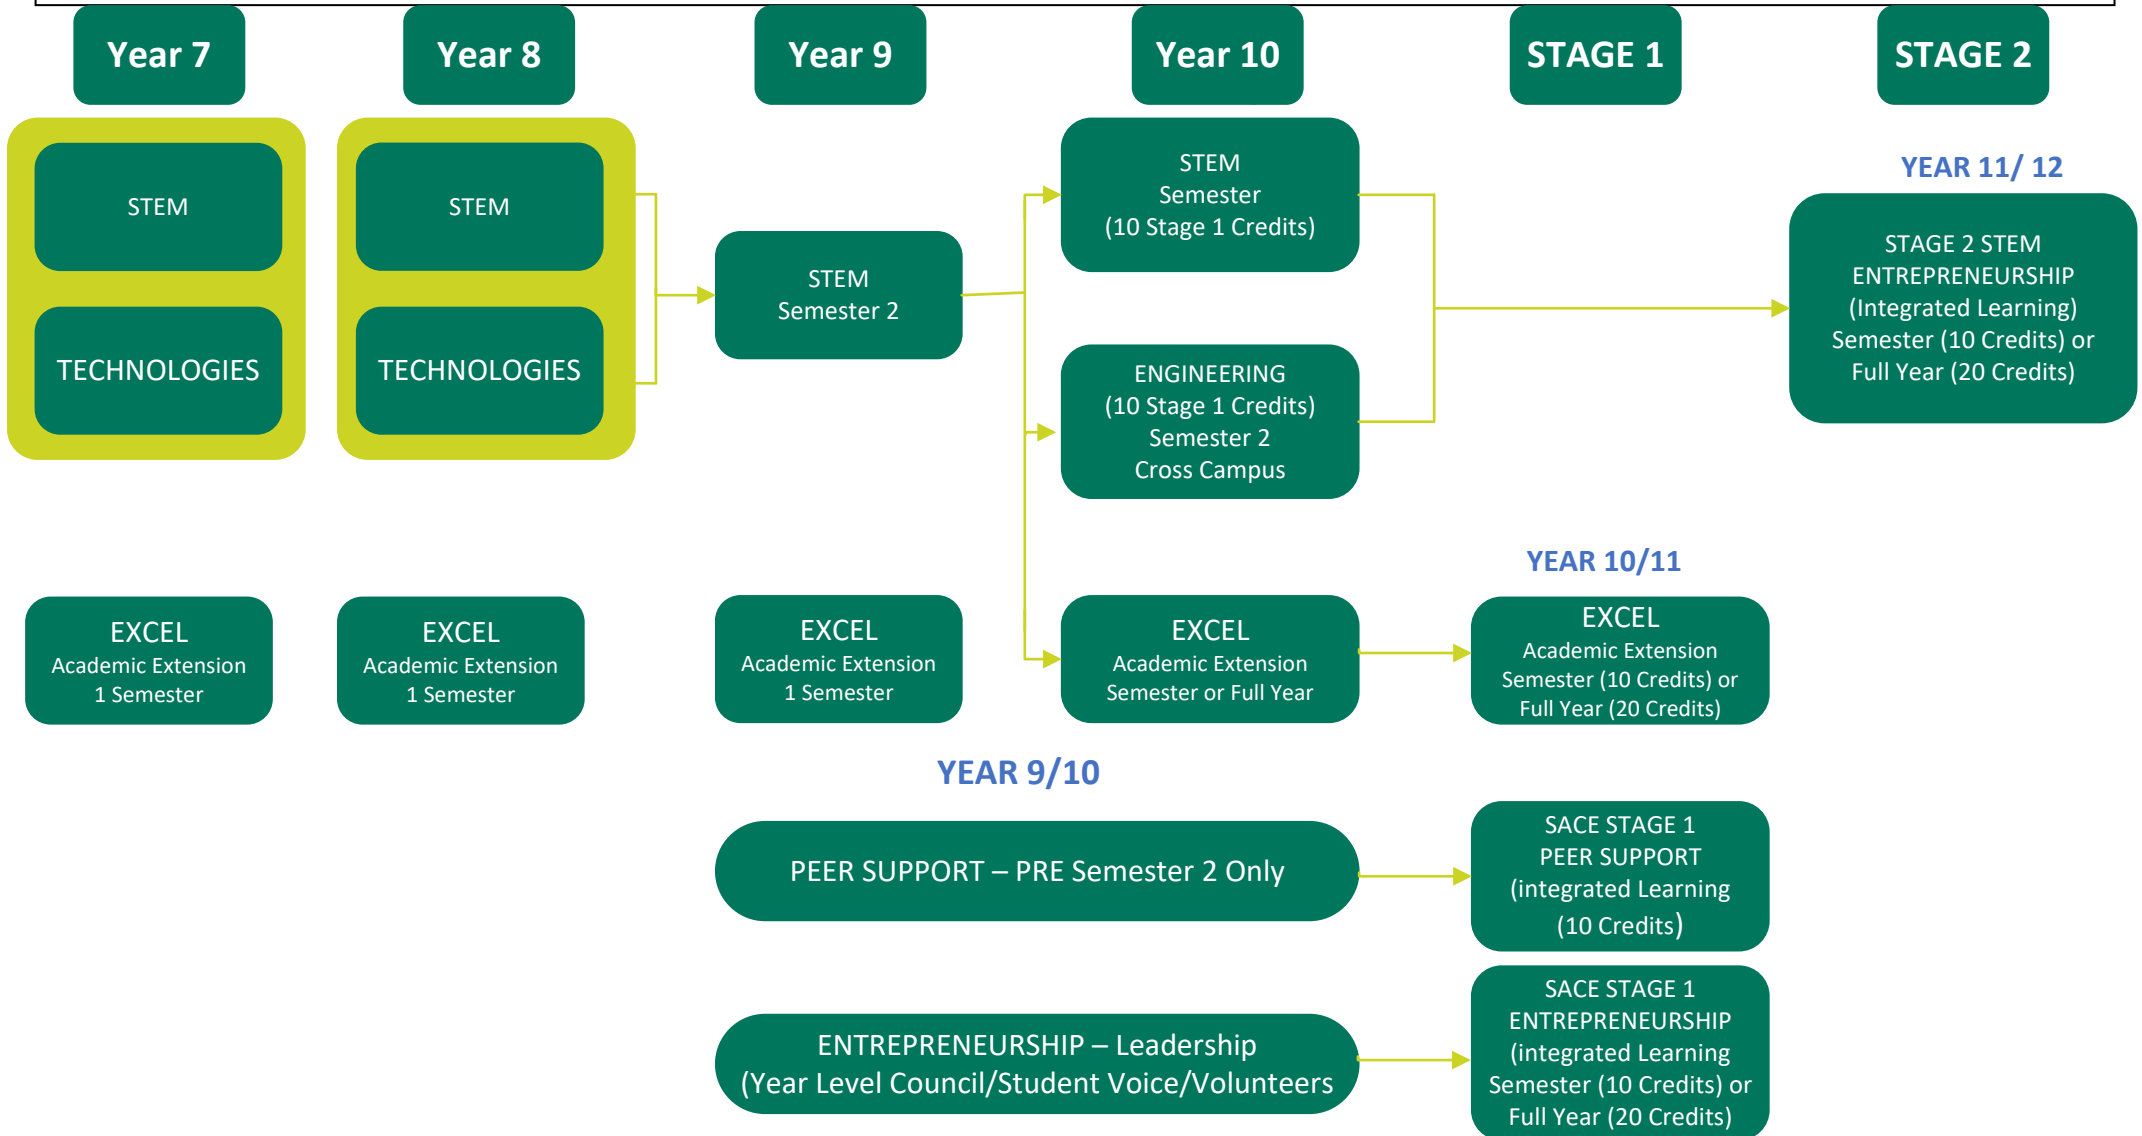

Visual Art – Art and Visual Arts – Design

Precluded combinations, can't do both Art and Design if you wish to gain an ATAR.

CAPABILITIES PATHWAY

NOTE: The Capabilities Pathway subjects are cross, intra and multidisciplinary. They are thematic, rather than content driven, industry focused, solutions based and underpinned by student agency [learning through activities that are meaningful and relevant to learner, driven by their interests, and often self-initiated with appropriate guidance from teachers. Student agency gives students voice and often, choice, in how they learn.
