

GOLDEN GROVE HIGH SCHOOL

2021 YEAR 11 SUBJECT SELECTION FORM

Surname:	Given Name:	2020 HG:
----------	-------------	----------

Please indicate your intentions for continuing at GGHS in 2021. Please tick one box only:

Definitely Returning Possibly Returning

Definitely Not Returning Reason

Use this document as a planning tool before entering your subject selections online in [WEB PREFERENCES](#). Once you have completed your on-line selections, print two receipts and bring them, along with this completed form to your Course Confirmation appointment. You will be able to input your subjects into Web Preferences from Tuesday 4 August until Tuesday 18 August.

1. In PLP, you investigate career options. Use this knowledge to help determine the subjects you would like to study in Stage 1 and Stage 2. The subjects you select should match your future pathway (University, TAFE, Apprenticeship or Full Time Employment), interests and strengths.
2. The Curriculum Handbook contains subject information. The Curriculum Flow Charts show subject pathways to Stage 2. Both documents are available on the school's intranet site and on the website <https://www.goldengrovehs.sa.edu.au/curriculum-page/subject-selection.html>
3. Information regarding SACE and its requirements and flexibilities can be found using <https://www.sace.sa.edu.au/documents/652891/070100de-122c-48b5-a032-17b584e14c8a>
4. University courses with pre-requisite subjects must be selected in Stage 2. University courses with assumed knowledge subjects should be selected in Stage 2. Please ensure you check the relevant SATAC information using <https://apply.satac.edu.au/info/coursesearch/?cycleCode=unis2020>
This will ensure you identify your Stage 2 subjects before selecting your Stage 1 subjects. As an example, you must study Stage 1 Chemistry if you wish to study Stage 2 Chemistry.
5. TAFE course entry requirements should be checked using <https://www.tafesa.edu.au/courses>
6. If you are interested in applying for VET/EXCEL/PEER SUPPORT, you must complete a separate application form and submit it to The Hub by Friday 14 August.

SACE STAGE 1 SUBJECT OFFERINGS IN 2021

CAPABILITIES PATHWAY	
Academic Extension Semester 1/Semester 2– Subject Application Form Required	10/20 credits
Entrepreneurship Leadership	10/20 credits
SAASTA Program– Subject Application Form Required	10/20 credits
ARTS – VISUAL / PERFORMING / CREATIVE	
Dance	10/20 credits
Digital Multimedia	10/20 credits
Drama	10/20 credits
Music	20 credits
Music Technology	10/20 credits
Visual Arts – Art	10/20 credits
